As a church we will continue to monitor and adjust our operational procedures based on CDC guidance. Each Wednesday, we will review the CDC COVID Data Tracker and make any operational adjustments based on the Level of Community Transmission in Sullivan County. Any changes in operational procedures will be communicated to the church body by email each Friday.

“SMALL FOOT”

“Smallfoot” turns the Bigfoot legend upside down when a bright young Yeti finds something he thought didn’t exist- a human. It throws the simple Yeti community into an uproar over what else might be out there in the big world beyond their snowy village, in a rollicking story about friendship, courage and the joy of discovery.

Please present this ticket with registration completed at the concession stand for FREE popcorn & drink for everyone.

Bring Lawn Chairs for seating.

Please park in main lot off Highway 126. The movie will be shown in the Masengill Rd. Lot.
